DESCRIPTION

SKY Ceiling Loudspeaker Grille: Functional and Robust Design

+ Info:

<https://fonestar.com/SKY-8N-GR>

The SKY-8N-GR grille is an accessory designed specifically for SKY ceiling speakers, offering a perfect balance between functionality and aesthetics. Its rust-resistant aluminium construction ensures long-lasting durability, even in demanding environments. With a frameless design and low profile, it blends discreetly into any space, providing a professional finish.

High Quality Materials and Adaptability

Resistant material: Manufactured from liquid painted aluminium, this grille is protected in accordance with EN ISO 9227:2006, ensuring it is resistant to adverse conditions such as neutral salt spray.

Adaptable and customisable: The detachable and twist-lockable design facilitates installation and maintenance. In addition, the logo is removable and the grille is paintable, allowing it to be adjusted to any interior design.

Compatibility: Designed to integrate with SKY-8, SKY-8T, SKY-8-DOME and SKY-8T-DOME models, ensuring versatility in a variety of sound systems.

Why Choose the SKY-8N-GR Grille?

Discreet design: Its low profile and matt black finish (RAL 9005) make it an elegant choice to suit any décor.

Guaranteed durability: Corrosion resistance and aluminium construction ensure excellent long-term performance.

Lightweight and practical: Weighing only 0.07 kg and measuring 306 mm in diameter and 7 mm in height, it combines robustness with ease of use.

The SKY-8N-GR grille is the ideal solution for professional installers looking for a durable, functional, and adaptable accessory for in-ceiling sound systems, elevating both technical performance and aesthetic design.
