DESCRIPTION

Flexibility and Complete Adjustment for Your Monitors

The SMM-112BA adjustable desk mount is a versatile and durable solution for users who need to optimize their workspace by installing up to two monitors ranging from 17 to 32 inches. With a sleek black design and sturdy structure, this mount offers customizable adjustments that enhance ergonomics and simplify organization in modern desks and offices.

Ergonomic Positioning and Easy Installation

Adaptable support: Holds up to 9 kg per monitor and is compatible with VESA mounting systems of 75x75 and 100x100 mm.

Height adjustable up to 44.1 cm and articulated arms with a maximum reach of 37.6 cm, providing greater flexibility to position monitors according to your needs.

Easy adjustments: The mount tilts up to $\pm 45^\circ$, rotates 360° , and offers horizontal orientation of $\pm 90^\circ$, enabling quick and effortless adjustments.

Why Choose the SMM-112BA Desk Mount?

This mount not only optimizes desk space but also features a dual installation system, allowing it to be mounted on the edge of the desk or through its surface. Additionally, it includes a cable management system and all the necessary accessories for a secure and tidy setup. Designed for those seeking a stable and ergonomic structure to enhance their dual-monitor work experience, the SMM-112BA is ideal for dynamic and functional workspace configurations.
