DESCRIPTION

Ergonomic Adjustability and Versatility for Monitors up to 32"

The SMM-11BA adjustable desk mount is the perfect solution for users seeking a robust and adjustable stand that maximizes workspace efficiency. Designed for monitors ranging from 17 to 32 inches and compatible with VESA mounts 75 x 75 and 100 x 100, this stand combines functionality and stability in a sleek black design.

Adaptability and Comfort for Any Workspace

- Full adjustability: The SMM-11BA allows height adjustment up to 40.7 cm and features an articulated arm that supports multiple positions. It offers a horizontal angle of  $\pm 90^\circ$ , tilt of  $\pm 45^\circ$ , and 360° rotation, making it easy to adjust the monitor to suit each user's needs.
- Flexible installation: Its design includes two installation methods: edge mounting on the desk or through a pre-drilled hole, providing mounting options for both conventional desks and specialized spaces.
- Capacity and durability: This stand supports monitors weighing up to 9 kg, with high-quality materials ensuring excellent stability and durability for consistent performance.

Why Choose the SMM-11BA Stand?

The SMM-11BA stand is ideal for those looking to enhance ergonomics without sacrificing desk space. Its robust structure and multi-adjustment system provide comfort and versatility, while its discreet, durable design blends seamlessly into any work environment. Additionally, it includes all the necessary mounting accessories, such as anchors, screws, and cable ties, ensuring a simple and organized installation.
