## DESCRIPTION

### Adjustable TV Mount MOV-644BA: High Capacity and Flexibility for Large Screens

The MOV-644BA wall TV mount is designed for screens ranging from 32" to 70" (81.3 to 177.8 cm), providing a robust and versatile solution for large spaces. Its black structure and functional design ensure a secure and discreet installation in any environment. Featuring a VESA mounting system with a wide range of configurations (75x75, 100x100, 100x150, 150x100, 100x200, 200x100, 150x150, 200x200, 300x200, 400x200, 300x300, 400x300, 400x400) and a weight capacity of up to 40 kg, the MOV-644BA is ideal for stable and secure mounting of larger screens.

### Flexibility and Precision in Viewing

**Horizontal Adjustment:** Adjustable up to 120°, allowing precise positioning for optimal viewing from different angles.

**Vertical Adjustment:** Adjustable from -15° to +5°, reducing glare and improving visual comfort in various screen positions.

**Horizontal Correction:** With  $\pm 3^\circ$  adjustment for precise screen alignment.

These adjustments allow the MOV-644BA mount to adapt the screen's position precisely to user needs and space configurations.

### Why Choose the MOV-644BA TV Mount?

**Easy and Secure Installation:** Includes all necessary accessories, such as a bubble level, cable holders, installation template, screws, and wall plugs for a firm setup.

**Elegant and Discreet Design:** Its black color and compact dimensions (6.2 x 18.5 cm for the wall plate and 45.5 x 13.5 cm for the TV plate) make it suitable for any interior decor.

**Versatility and Durability:** With an adjustable wall distance of 6.2 to 46.8 cm, the MOV-644BA offers a flexible solution for various space configurations.

A secure screw system and cable holders maintain order and safety for connections. The MOV-644BA is the perfect choice for those seeking a wall TV mount that delivers versatility, stability, and ease of installation,
