

CUFFIE DA GIOCO OVER-EAR CON MICROFONO PIEGHEVOLE

Gaming headset

Reference: WIN

Gaming headset with flip-up microphone Features: The high-quality stereo speakers deliver deep bass and highly defined treble. The high-sensitivity, noise-canceling, omni-directional flip-up microphone isolates your voice from the sound around you, allowing the other players to hear you clearly. With a sophisticated, gaming-friendly design, a comfortable band that fits snugly over your head and patent leather ear pads for extended use, this microphone is the perfect choice for gaming. Built-in cable control with headphone volume and microphone mute. Applications: Ideal for gaming (PC/MAC, PS4, Xbox One, Nintendo Switch, smartphones, tablets and Xbox 360 with adapter). Technical data: 20 mW maximum Diameter 50 mm Noise Cancellation 3.5 mm 4-pin jack plug for headphones and microphone
