

CONTROLLO VOLUME A PARETE SERIE DOT

DOT Attenuator Panel

Reference: DOT-01N

Panel for DOT series attenuators. Benefits: FONESTAR's own minimalist design, taking into account the market's needs and ensuring that they will blend in with any installation, whether domestic or professional. For installations that require black attenuators that are easily interchangeable with white ones. Applications: PA systems and voice evacuation, large and small shops, shopping centres, hotels, cafeterias, game rooms, domestic use, etc. Technical data: Color: Black
